

AUTUMN RIDGE

Value, simplified.

LET'S HAVE FUN.

If you're looking for a comfortable, affordable way to experience the RV camping lifestyle, look no further than the 2011 Autumn Ridge. Designed for relaxation, convenience and value, Autumn Ridge can comfortably sleep up to 9 adults, and features a range of standard equipment and optional upgrades that surpasses anything in its class, making it the perfect choice for families.

SIMPLY THE BEST CONSTRUCTION

We don't play games with our prices, and we don't make you pay for stuff you don't need. Instead, we put all of our time and energy into making a well-built, quality camper at an affordable price. In short, our campers are built for camping.

A FIRM FOUNDATION FOR DURABILITY

We use $\frac{5}{8}$ " tongue-and-groove plywood decking on 2" x 3" floor joists and R-7 fiberglass insulation to create one of the industry's most durable floors.

A STRONG, LONG-LASTING STRUCTURE

Built with 2" x 2" wooden studs, .024" aluminum exterior siding and R-7 fiberglass insulation, our walls make Autumn Ridge a strong, long-lasting structure.

A SEAMLESS ROOF FOR PROTECTION

Featuring wooden rafters with $4\frac{1}{2}$ " arched trusses, $\frac{3}{8}$ " plywood decking, a one-piece seamless rubber membrane and R-7 fiberglass, our roof can handle the elements.

336RESA / Vanilla

264RKS / Cinnabar

GOODYEAR TIRES

Towing's a breeze thanks to 15" Goodyear radial tires, E-Z Lube axles, Torq-N-Go nuts and galvanized steel wheel wells.

OUTSIDE SPEAKERS

Enjoy your music outside with highly efficient exterior speakers (Customer Convenience Package).

22" LCD HDTV

Every night is family night with Autumn Ridge's optional 22" LCD HDTV (Premier Pkg.).

EXTENDABLE DINETTE

An extendable dinette allows you to invite more guests to dinner while offering extra storage (select models).

AIR DUCTS

You'll never feel stuffy thanks to adjustable directional ceiling ducts that deliver a 20% increase in airflow.

Autumn Ridge

FUNCTIONAL.

A modern kitchen, fully functional bath, multiple slideouts and an open, roomy living area are just a few of Autumn Ridge's family-friendly features. Brown Sugar cabinetry, an American-made Norcold refrigerator and residential-style furniture ensure you'll always have a great time in the great outdoors, while the Premier Package adds an electric awning, power tongue jack and raised-panel doors.

BALL BEARING DRAWER GUIDES

With a 50-lb capacity, full-extension and smooth operation, our ball bearing drawer guides provide convenience and durability.

*Estimate. Visit your Starcraft dealer or www.starcraftcamping.com for official spec.

Unloaded Vehicle Weight (UVW): Sometimes referred to as "Dry Weight," UVW means the typical weight of this trailer as built at the factory. The UVW, as used in product literature and other promotional materials, does not include cargo, fresh water, propane, options or dealer-installed accessories. The GVWR is equal to or greater than the sum of the UVW and the CCC.

It is important for your safety and enjoyment that your tow vehicle be adequately sized and equipped to tow and handle the GVWR of the RV you select. Review weights and rating of your tow vehicle and consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a fee for the performance of your tow vehicle and the RV together before heading out on the roadways. When you tow an RV, you must drive differently than you do when driving a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction. Starcraft offers a weight label to each RV which lists weight information for that vehicle. See specification chart above.

Cargo Carrying Capacity (CCC): CCC means the maximum weight of all passengers, personal items, food, fresh water, propane, tools, other cargo and dealer-installed accessories that can be carried by the trailer. CCC is equal to or less than GVWR minus UVW. The addition of options will decrease the CCC.

Hitch Weight (HW): The hitch weight, as used in product literature and other promotional materials, does not include cargo, fresh water, propane gas, options or dealer-installed accessories. The addition of these types of items will either add to or subtract, from the stated hitch weight.

Built on tradition.

The Starcraft name has been around for more than 40 years – becoming one of the most dependable names in the camping industry. Today, our strong balance sheet and family-oriented business approach means we'll be around for decades to come. And you can bet our campers will continue to come with everything you need to have a great time in the great outdoors, at a price that guarantees you will.

One-year warranty

The Starcraft warranty is a manufacturer's limited warranty. Each Starcraft is warranted to the original purchaser for twelve (12) months from the original date of purchase against defects in materials and workmanship. Starcraft's limited warranty is not transferable. For a copy of the limited warranty with full terms and conditions, ask your local Starcraft dealer.

One-year roadside assistance

Travel worry-free with the complimentary Coach-Net Roadside Assistance program, which gives you immediate access to dependable roadside assistance with a simple phone call.

Why a Local Starcraft Dealer is Important to You

Establishing a solid relationship with your local Starcraft dealer is a key component in the enjoyment of your new Starcraft. By purchasing from a local dealer, you will have a convenient location for sales, parts and service support.
